Site Plan & SEARCH

This **growing compilation** includes titles yet to be released (they have a month specified in the release date).

The entries are **sorted** by publication year and the first Author.

Green-color titles indicate educational texts.

You can **download a PDF version** of this document for off-line use. But keep coming back, the list is growing!

Many of the books are available from Amazon. Entering Amazon from here helps this site at no cost to you.

F Other Lists:	Popular Science	F Mathematics	F Physics	F Chemistry
Patents+IP	F Electronics DSP Tinkering	F Computing	Spintronics	F Materials
WWW issues	F Instruments / Measurements	Quantum Computing	F NMR ESR MRI	F Spectroscopy

Hint: the **F** symbols above, where present, are links to free online texts (books, courses, theses, ...)

Visitor # **19 18733**
